

## EU Transport Regulation Training:

### EU guidelines on mobility and transport

Dear Customer,

During the past years the different EU policies have paved the way to the regulations which have direct or indirect effects on urban mobility, car design and transportation. You receives the relevant EU regulations and working papers. Take advantage of our training and make it easier as a responsible decision-maker! The service package includes a 1-day-training in Stuttgart, Brussels or as an e-training:

- 09.00-12.00 - Your important EU regulation and changes.
- 12.00-13.00 - Lunch break with Swabian or Belgian lusciousness.
- 13.00-14.00 - Changes to EU working papers since 2012.
- 14.00-16.00 - List and explanation of the latest EU policies.

The price is included VAT: 1892,10 Euro (maximum of 6 people such as business - and / or project partners)
